Bodega Rioja Vega wins two 'Master of Rioja' awards and a **Gold Medal** at the *Rioja Masters 2021* contest organized by the prestigious British magazine 'The Drinks Business', one of the most influential publications in the wine sector.

**Rioja Vega Tempranillo Blanco Reserva 2018** stands out for being the only white wine from Rioja to be selected on the list of 'the best 10 Rioja wines' in addition to receiving recognitions as a 'Master of Rioja'. What makes it the best white wine in Rioja? This wine tells the story of our trust in a little-known grape variety, Tempranillo Blanco. A wine that requires patience and time to show all it can provide. A wine with a long and promising future.

**Rioja Vega Gran Reserva 2011** wins the other 'Master of Rioja' award at the contest. A wine made only on vintages that **Rioja Vega** considers to be excellent. A careful blend of three grape varieties, true to the tradition and style that Rioja shows in these wines, as one could expect from a centenary winery as is **Rioja Vega**, established in 1882.

**Rioja Vega Reserva 2017** wins a **Gold Medal**. A classic revisited. This **Reserva** is a rather modern approach to what one expects from this category. Opulent, velvety smooth and well balanced on the palate, with an excellent tannic structure. Expressive, persistent and with a solid backbone.
